River of Freedom (Ex)

Running Time: 154 minutes

River of Freedom is a feature documentary film sharing the inside story of NZ Convoy and the Parliament protest in **Wellington** during February & March 2022. Captured by professional filmmakers, this film clearly lays out the reasons behind the protest, who the people were, and what happened.

A Great Friend (PG)

Running Time: 95 minutes

From **Éric Besnard** (*Delicious*) comes *A Great Friend*. Packed with laughs, *A Great Friend* lets audiences experience the stunning vistas of the **Auvergne-Rhône Alps**, in a charming tale of friendship.

Vincent (**Lambert Wilson**, *De Gaulle*) is a high-flying entrepreneur. One day single-handedly sailing his yacht, the next, being interviewed on national television. While driving on a rugged mountain road, Vincent's car breaks down, temporarily interrupting his frantic lifestyle.

Pierre (**Grégory Gadebois**, *Delicious*) has distanced himself from the modern world, living in the middle of sublime nature. While Vincent waits for his car trouble to be sorted, Pierre offers him a place to stay. What the two men soon realise, is that their personalities could not be more different.

While Vincent and Pierre initially struggle to see eye-to-eye, they eventually find themselves wondering... deep down, are they really each living the lives they want to live?

In French with English subtitles

Scrapper (M)

Running Time: 84 minutes

Following her mother's death, a resourceful 12-year-old girl, Georgie (**Lola Campbell**), continues to live alone in their London-outskirts flat. She makes money stealing bikes with her friend, Ali (**Alin Uzun**), and keeps the social workers off her back by pretending to live with an uncle. It works like a charm until Jason (**Harris Dickinson**, *Triangle of Sadness*) shows up. Apparently, he's her father – so long estranged that she doesn't recognise him. Sizing him up as a rubbish dad (absent, messy, can't cook), Georgie wonders why he's suddenly taking an interest. Especially when she's doing just fine on her own, thank you very much.

Scrapper is a vibrant, joyful, imaginative story that is full of aesthetic energy and heart-warming charm. **Dickinson** and **Campbell** bring a magical quality to this father-daughter story of two emotionally tangled people: a grieving kid thrust into adulthood and father in over his head.

We're off to **Greece!!** So get the girls and guys together for this hilarious and heartwarming movie full of love, twists and turns. As always for one price you get your movie ticket, any drink & a **Kapiti** ice cream. If you buy your tickets early, you get them a little cheaper too!
